Dear Community Member,

Thank you for your participation in the 22nd annual S.A.E.C.O. Golf Tournament held on May 16th, 2019. With your help and generosity, \$17,150 was raised to support the new Centre for Child & Adolescent Mental Health, bringing the total raised by this longstanding event to over \$545,000!

With 1 in 5 children and adolescents struggling with conditions such as anxiety and depression, the demand for mental health services is higher than our health system can accommodate, resulting in inadequate access to care.

That's why we are building a new Centre for Child and Adolescent Mental Health, scheduled to open in 2021. As Micah explained during her moving speech about her son Riley's depression – dealing with mental illness is a daily struggle. A new Centre will provide thousands of young people and their families with crucial new and enhanced services, including a walk-in clinic to make it easy for kids and families to reach out for help sooner.

Thanks to the generosity of individuals and organizations in our community like yours, more and more of these children will be able to access care and support for their mental health needs.

We are incredibly grateful for the contributions received at this year's event and look forward to what we can accomplish next year as we work together to build healthier futures for children and shape the next chapter of child health and wellness.

Sincerely,

A handwritten signature in black ink that reads "Tawnia Butler". The signature is fluid and cursive, with a large loop at the end.
